

G.T.P. TO RESUME TRACK-LAYING

Next Week. Completion of 65 Miles Between Saskatoon and Portage to Be Rushed.

Winnipeg, Feb. 25.—Track-laying on the G. T. P. between Portage and Saskatoon, which was suspended on February 10th, owing to weather conditions, is to be resumed next week and continued if the weather permits until the remaining 15 to 20 miles are completed. Hauling will then be taken in hand, and work pushed with all possible speed.

An order has been given to the G. T. P. labor agency for two gangs of 140 each, one to be sent to Nutana near Saskatoon, to go east from there to the end of the track and the other to be sent to Portage to be forwarded to the end of the track west some 340 miles.

About April 1st the force is to be increased to about 600, and later to 1,000 or 1,200, all of whom will be engaged in ballasting the line.

The second 140 of the shoveling crew will be resumed when the season opens, and a force of some 400 will be engaged in the same kind of work.

AUTOS ARE SNOWBOUND.

Northern Siberia and Alaska may be Cut Out of the New Road to Paris.

Chicago, Feb. 25.—Northern Siberia and Alaska may be eliminated from the route of the new road to Paris automobile racers as a result of the failure of the cars to go through the Russian snow drifts under their own power. A plan is now under consideration to take the automobiles by boat from San Francisco to Japan, then over Japan, China, India, and then to Europe.

The discussion of the new plan was taken up in the Chicago Automobile club last night upon arrival of the *Forbes* and Italian cars. A conference will be held today to determine what should be done, and the main thing for the change is the fact that the delay between New York and Chicago has made it impossible to reach San Francisco by March 1st, the time set for sailing to Alaska. A later boat will bring the time for crossing Alaska too late to catch the first train to Europe, and it is necessary to wait for another season.
